

HONESTY - INTEGRITY - COMMITMENT - QUALITY

Spiral Aluminum Silos

As a trusted supplier of Spiral Aluminum Silos for top companies, Schake Industries has spent years developing our innovative manufacturing techniques. These capabilities allow us to offer the superior performance of Schake Spiral Aluminum Silos.

FEATURES

- Usable silo storage capacities starting at 1,292 cubic feet and above.
- Standard diameters of 11' 6" and 13' 11".
- Options such as doors, ladders and sensors can be custom configured.

SUPERIOR FACTORY QUALITY

- Corrosion-free non-ferrous aluminum.
- Roll-formed spiral construction.
- Edges are double-crimped and welded with a continuous bead.
- Seams are smoothed to improve material flow and prevent hang-up.
- Silos undergo a quality inspection before shipping.

PROFESSIONAL DELIVERY & INSTALLATION

- Silos with diameters of 11' 6" and 13' 11" are built at our factory and shipped via truck to anywhere in the US, Mexico, or Canada.
- All our installations and services are performed by Schake personnel.
